My dear *Father Hess,*

I am pleased to inform you that our Board of Directors have approved the transfer of a piece of land admeasuring 15 acres for the construction of Jesuit Teachers' Training College. The legal formalities for transferring the said land are being worked out and are expected to take a little time. The area has already been demarcated by our Civil Engineering Department. In the meantime, I would very much appreciate if the land in question may kindly be taken over and construction of the boundary wall started at the earliest.

With kind regards,

Yours sincerely
